Architectural Glass Effects

Unique Glass for a Distinct Impression!

Add style with GLASS

Dear Friends,

In today's on-demand world, Architectural Glass Effects (AGE) is setting the industry standard for prompt service of quality custom-cut glass.

With over 2,500 Authorized Dealers across the United States, AGE is the premier choice for decorative glass for kitchen, bath, residential and commercial applications. A reliable glass supplier is an indispensable resource in architectural design and AGE is equipped to meet your needs and exceed your expectations. We can handle orders of any size.

Custom-Cut-To-Size Glass – Most Shipped within 48 hours

AGE offers many different glass collections:

The **Master Set** contains over 130 types of clear and colored textured glass.

The **Antique Mirror Collection** is comprised of 9 different styles of antique mirror available in 1/8" and 1/4".

Our **Shelving Set** is designed to show your clients the options available to them.

The **Dream Glass Color System** is our latest offering, a high-quality back-painted glass available in 13 Stock Colors – great for backsplashes, dry-erase boards, dividers tabletops and more. **Felt Backing is now available!**

NEW! We now offer **WATER JET Services**. We can custom cut difficult shapes and holes in a fraction of the time.

All of our samples are available for a nominal fee. Once you become an Authorized Dealer, AGE provides no-hassle sample replacements to give out or to replace lost/broken samples for only the price of shipping.

Architectural Glass Effects also provides the following services:

Tempered Glass

Laminated Glass

Insulated Glass Units

Glass Shelving
